

Krishnan, is an Electrical Engineer by qualification. After graduating from IIT, he joined Voltas Limited in 1977 in the Air-conditioning & Refrigeration Division at Mumbai.

While in Voltas, Krishnan worked in various capacities in Sales, Project Execution and Service before moving to the Corporate Office where he was responsible for Business Development, Technology Transfer and Dealer Development. After spending thirteen years with the AC&R Division, Krishnan moved to the Textile Machinery Division where he headed the Division for two years.

Separating from Voltas in 1992, Krishnan turned entrepreneur. He started DYNACRAFT, which is engaged in the business of manufacturing and marketing Air, Fire & Smoke Management Products and Metal Ceiling Systems.

Krishnan has been a Member of ISHRAE since 1985 and has been one of the founding Members of the Mumbai Chapter. He has served the Society at Chapter, Regional and National Level and was the Society President during Society Year 2011-2012. Recipient of the ISHRAE Distinguished Service Award, Exceptional Service Award and Lifetime Service Award. He is a founder Trustee of the ISHRAE Institute of Excellence and served on several Society Standing Committees like the Honours & Awards Committee, IIE and the Certification Committee, Advisory Committee and the Nomination Committee. He is also an Instructor for the ISHRAE Clean Room Certification Course and ICP Design Professional Courses.

A Member of ASHRAE since 1989, he has served as Chapter President of the ASHRAE Western India Chapter and is currently a Member of the Mumbai Chapter. A recipient of the Chapter Service Award and Regional Award of Merit, he served as Regional Treasurer at ASHRAE Region-at-Large. Krishnan is a Voting Member of ASHRAE Technical Committee TC 5.03 which is involved in Room Air Distribution. He is currently serving on the Society's Nomination Committee.

Krishnan is also a Member of the Society of Fire Protection Engineers, USA and the Vice Director of IAQA, India Chapter.

Krishnan has presented several papers on Air Distribution at several forums and is on the Panel of ISHRAE Distinguished Lecturers and ASHRAE Distinguished Lecturers (RAL), and has spoken at many Chapters and Sub-Chapters for ISHRAE and ASHRAE.
